Published 01 June 2015

The Iman Villa is a fabulous modern minimalist villa surrounded by scenic rice paddies in Bali's peaceful and much sought-after district of Canggu. At the heart of the villa is a stylish sunken outdoor living area designed for the perfect holiday. This convivial space overlooks the villa's 20-metre pool by day and creates a spectacular bar and dining area for entertaining at night. The villa's interiors are designed using luxurious materials, including beautiful teak wood, to create a warm soothing space, while outside, terraced gardens are landscaped to mimic the surrounding rice fields. The villa's five en-suite bedrooms are individually designed and furnished, and fitted with state-of-the-art technology to provide a luxurious modern ambience. The Iman Villa is ideal for small groups and families, and its sweeping lawns, dramatic roof terrace and tropical vista also make it ideal for weddings and events.
